Are You an Artist?

ARE YOU AN ARTIST as well as a physician? If so, there is an annual art exhibit of national caliber strictly for doctors who are artists. The sponsoring organization is the American Physician's Art Association (APAA), now in its 44th year. The APAA has some 500 members across the country.

In 1981 the APAA Annual Art Exhibition and annual meeting will be held during the 75th annual Southern Medical Association meeting in New Orleans, November 15 through 18. All physicians who work in the fields of oils and acrylics, water colors, sculpture, photography, arts and crafts or graphics are encouraged to join APAA to submit entries for the November exhibit. Membership in the Southern Medical Association is not required.

Those physicians who are interested should write to

Milton S. Good, MD, Treasurer, APAA
610 Highland Avenue
Elizabethtown, PA 17022
